

## Registering a sibling For the next school year (2023-2024)

Does your child have a **brother or sister** you would like to enroll in our school? It can either be a brother or sister born in **2021** or an older sibling you would like to enroll.

In that case you have **priority** to register as **from January 10th 2023 (9.00 a.m) until January 24<sup>th</sup> 2023 (5.00 p.m.)**. Make sure to take advantage of this priority.

Go to the website <https://meldjeaan.leuven.be> or ask the school for help in order to register. You will have to register first. On February 14<sup>th</sup>, 2023 you will receive a message with the result. We will then contact you ourselves.

Would you like to enroll a sibling here? Please fill out the slip below. This way we know how many brothers and sisters to expect and who needs help with the registration.

Kind regards,
